REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT
COUNCIL

Rainbow Lake Middle School is a student-oriented school with a supportive environment which allows students to focus on learning. During the 2013-2014 school year, our enrollment totaled 711 students in grades six, seven, and eight. The successes of the academic, athletic, and fine arts programs at our school can be attributed to the hard work of conscientious students, dedicated teachers, and supportive parents. Our students made improvements in state testing and on MAP tests this past school year. Student improvement was directly related to classroom instruction provided by teachers and the utilization of educational software. Eighty-nine percent of our students enrolled in Algebra I scored either an A or B on the End-of-Course Examination, and eighty-eight percent scored an A or B on the English I End-of-Course Examination. This year, twenty-six eighth grade students were named South Carolina Junior Scholars for their outstanding scores on the PSAT. Twenty-five students were identified as South Carolina Junior Scholars. Six students gained acceptance into the Spartanburg Early College Program at Spartanburg Community College for fall of 2014. Four students were accepted into the Scholars Academy at the University of South Carolina Upstate enabling them to take college courses throughout high school. Battle of the Brains Team placed in the final four out of thirty-six teams. Rainbow Lake Middle School has 236 Junior Beta Club members. Approximately one-third of our students participated in the band, chorus, or orchestra programs. All music programs received excellent or superior ratings in various competitions. Also, we had approximately two hundred-fifty student athletes who participated in basketball, cheerleading, football, volleyball, and wrestling. Students in the art class and art club won numerous awards in several different competitions this past year. Parents were actively involved in their children’s education by attending parent teacher conferences, PTO meetings, Open House, award ceremonies, as well as chaperoning field trips and special events, and monitoring during standardized testing. The PTO worked tirelessly in raising funds to provide rewards for students, an appreciation luncheon for teachers, and providing iPads for instructional use. This organization was instrumental in the success of our students and teachers. Our band, chorus, and orchestra students presented exceptional performances during the PTO meetings. Rainbow Lake Middle School is a student-oriented school where students come first. Teachers at our school are diligent in their efforts to improve student achievement and help students succeed. Through constant monitoring, we strive to maintain a safe and secure learning environment for all of our students. We are a school in which students, parents, and the community can take pride.
